In October of 1966, Huey Newton and Bobby Seale founded The Black Panther Party in California to emphasize black pride, community control and unification for civil rights. The organization spread across the U.S. and an important chapter was founded in Chicago in 1968 to combat discrimination and police brutality. Join us for a discussion of the history of The Black Panther Party.

Come join us for coffee and light refreshments.

**Meetings held 2<sup>nd</sup> Saturday in even numbered months. Next meeting is April 13.**

\*The Edgewater Historical Society and the Chicago Public Library Edgewater Branch sponsor this Chicago History Book Discussion Group, meeting bi-monthly to discuss books on Chicago and local history based on the group's recommendations. The library has a certain number of copies available for circulation in advance of the discussion; to get yours, visit the Edgewater Branch's reference desk; local residents who have the book are urged to join in. Even if you don't read the book, feel free to join us. The discussion format: those who read from the book list start their comments going around the room; thereafter, those who have not read from the list can then join the discussion. We welcome vigorous discourse.
